

QHSE Policy

Quality, Health, Safety & Environmental Policy

We, Thermaflex, get inspired by our dream: A sustainable world for generations to come. We want to contribute to our society and achieve this by operating worldwide in a safe, responsible and sustainable manner with the greatest respect for the health and safety of all our stakeholders and for the environment in which we operate.

Thermaflex is committed to

- 🌀 Offer employees opportunities to develop and to stay fit and healthy*
- 🌀 Provide a healthy and safe place to work with pleasure*
- 🌀 Ensure that risks, hazards and changes are managed*
- 🌀 Encourage and demonstrate personal leadership at all levels in our organisation*
- 🌀 Stimulate and foster the behaviour we believe in*
- 🌀 Continuously improve and innovate our processes and systems*
- 🌀 Understand customer needs and translate these into satisfying solutions*
- 🌀 Comply with all applicable regulations and legislative requirements*
- 🌀 Minimise the environmental impact of our organisation and solutions we provide*
- 🌀 Striving for a carefree system installation*
- 🌀 Use and facilitate renewable energy wherever possible*
- 🌀 Recycle and reutilize materials, while maintaining optimal quality*
- 🌀 Being transparent about our performances*

Thermaflex effectuates to:

- 🌀 Taking care of regular setting, monitoring and revision of QHSE targets*
- 🌀 Ensure adequate resources are available to enable reaching these targets*
- 🌀 Communicating this policy throughout the organization*
- 🌀 Engage our stakeholders in our dream*
- 🌀 Train employees in the appropriate use and maintenance of the QHSE management systems.*
- 🌀 Keeping this policy updated and continuously improve Thermaflex' Quality, Health, Safety & Environmental performance.*
